I am aware of the physically strenuous nature of this event, the risks both medically and physically and I can confirm that I am healthy and fit enough to complete this event. I accept that should any medical or physical condition arise prior to the event which is likely to affect my ability to compete will be reason to withdraw in accordance with these conditions.

By submitting an application online and paying a fee for entry into this event I understand and agree to abide by the terms and conditions, the instructions given by the organiser and event officials.

I shall not be eligible or entitled to participate in the event until full payment of the entry fee has been received by the event organiser. No payment shall be deemed to have been received until the event organiser has received cleared funds.

As this is not a competitive event, there is no minimum age limit however riders who are under 16 years old must be accompanied by a responsible adult throughout the event otherwise the event insurance becomes null and void.

Withdrawal Policy

Organising a sporting event requires a considerable amount of forward planning, time, risk and expense. Costs are incurred from the moment we create a "live" event; these include administrative, insurance, advertising, marketing, equipment, website and staff costs. As an event draws nearer we continue to incur costs, many in relation to the number of entrants in an event.

Cancellation of an event – if we have to completely cancel an event (not including alterations) we will give you a full refund minus entry system charges.

Athlete Withdrawal – if, after paying for the event, you have to withdraw, you will not receive a refund, regardless of the reason (injury, pregnancy, holiday, business, work etc). However, up until the week before the event, you will be able to move yourself to another event on our calendar and only be asked to pay the difference between both events. You can do this by logging back into the entry system and making a transfer.

If you have to withdraw in the week leading up to an event you forfeit your place in the event.

Event entries are NOT transferable to any other person on the day of the event and any athlete competing with someone else's number will be disqualified from the event.
